Dear Mr. Meredith,

I am very glad you could get into college. I think it was a very good college to choose, from all the thousands of colleges in the United States.

I think you were very brave to go through all the trouble you did to get in that particular college. I would have done the same thing if I wanted to go to college as bad as you did. I can't think of anything else to say. I hope you'll write back to me soon.

Good luck in college

Sincerely your,
Joan Eldridge
